

Mandarin Oriental, New York's suites have been designed to reflect New York City life throughout the course of a day celebrating Sunrise, Dusk and Nights. All suites are situated on the corners of the hotel and showcase unparalleled views of Central Park, the Hudson River and the Manhattan skyline.

#### PREMIER CENTRAL PARK VIEW SUITE

Showcasing unparalleled views of Central Park and Manhattan's glittering skyline from floor-to-ceiling windows, these luxurious one-bedroom suites enjoy a spectacular setting on the southeast corner of the hotel. Designed to capture the moment at sunset when the city comes to life in a magical way with vibrant tones of amethyst, accommodation includes a large bedroom with king-size bed facing the enveloping views, a separate living room with a plush curved sofa and dining area for entertaining or work, a marble master bathroom with a rainforest shower and separate soaking tub and a separate guest powder room. The space is complemented by New York-inspired contemporary art pieces featured throughout.

#### CENTRAL PARK VIEW SUITE

Situated on the northeast corner of the hotel, these striking suites feature expansive views of Central Park and the Manhattan skyline from floor-to-ceiling windows. Designed to reflect the quiet hours of New York mornings as the sun rises over Central Park through vivid hues of scarlet, orange and yellow, the suites welcome guests with space, comfort and luxury. Accommodation consists of a bedroom with king-size bed, a separate living room with curved sofa and working desk facing the panoramic views, a master bathroom with side-by-side sinks, rainforest shower and separate soaking tub, and a separate guest powder room. To complete the luxurious feel, the rich color palette is paired with abstract paintings by New York-inspired artists.

### HUDSON RIVER VIEW SUITE

Welcoming guests with breathtaking views of the Hudson River, these spacious one-bedroom suites are designed with ample room for relaxation and entertaining. Accommodation consists of a large bedroom with king-size bed looking out onto the river and city skyline and a separate living room and powder room. Featuring shades of teal to reflect the waters of the Hudson River, the suite offers a serene respite with two sofas, a working table and contemporary artwork capturing the vibrancy of New York. A marble master bathroom overlooks Manhattan's Upper West Side and has an inviting soaking tub from which to enjoy the view. For guests traveling in a group, king-bedded connecting rooms are available.

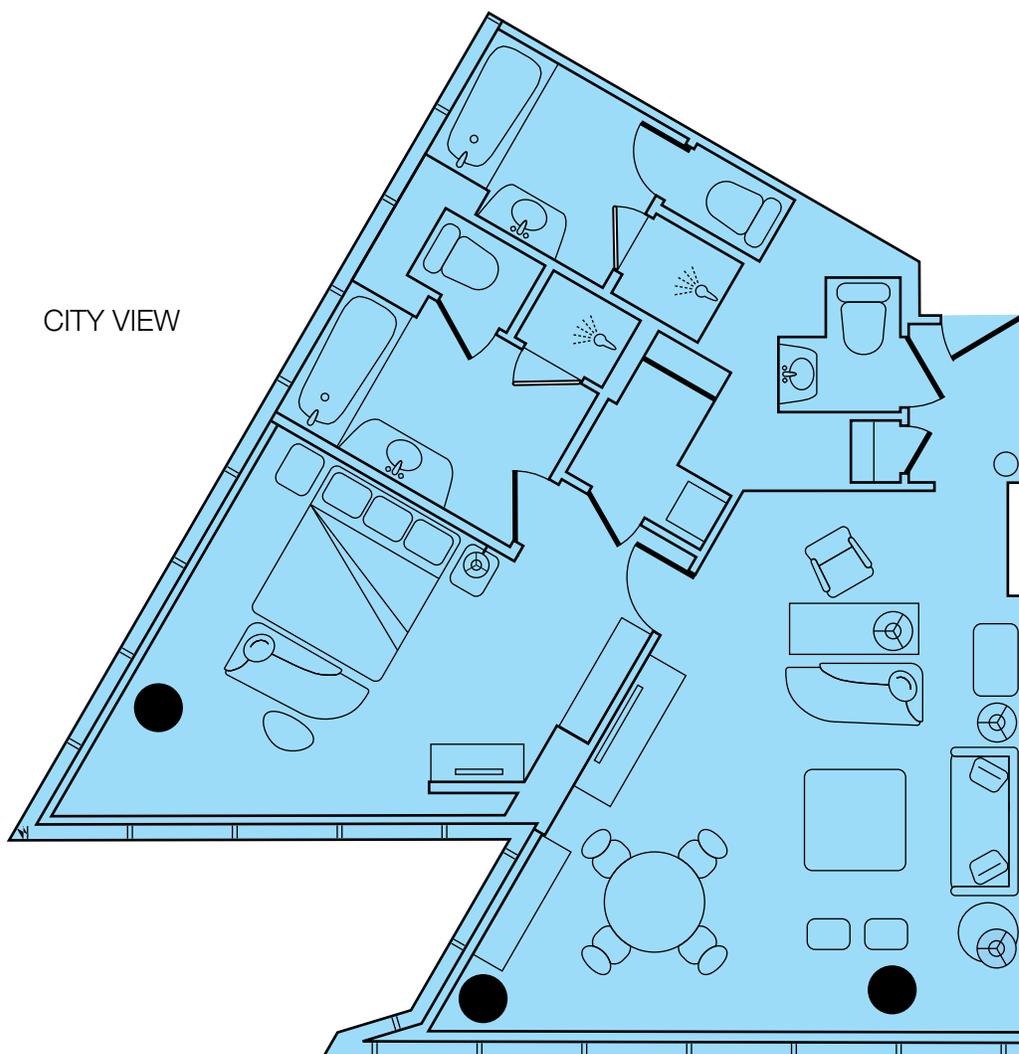

### TWO BEDROOM CENTRAL PARK WEST SUITE

The interconnecting Two Bedroom Central Park West Suite showcases panoramic views of Central Park and the city skyline from floor-to-ceiling windows and reflects the contemporary residential aesthetic of Manhattan's coveted Upper West Side addresses. Perched on the southeast corner of the hotel, the suites have been designed with an emphasis on comfort and luxury with plush curved sofas and tufted, upholstered beds facing the enveloping views. A vibrant amethyst color palette is complemented by New York-inspired contemporary art pieces. Perfect for families or friends traveling together, accommodation includes a spacious bedroom with king-size bed, separate living room with dining area, marble bathroom with rainforest shower and separate soaking tub, and interconnecting door to a king or twin-bedded room.
